Lash Lift \$89

Lash lift is the newest and most innovative way to perform a lash perm. The lash lift takes the natural eyelashes and perms them into a curl that makes the eyelashes look amazing. The lash lift lasts for 6-8 weeks and makes it so you do not need to use an eyelash curler.

Lash Lift & Tint \$109

The lash lift and tint takes the natural eyelashes and perms them into a curl, then tints them for an effortless dark curl that will last for weeks.
